【答案】

Li Ming

Yours sincerely,

We are looking forward to your reply. Thank you.

How is everything going on? _____

Dear Mr. Smith,

3. 开头已为你写好，地点：校大礼堂。

2. 可以适当增加细节，适合中学生观看；

注意：1. 词数100左右；

4. 时间：12月10日，时长不超过半小时；

3. 话剧内容必须思想健康，人数不超过10人，请你以校学生会李明的名义给外教WilsonSmith写-封信请其当裁判并说明话剧比赛事宜。应包括以下内容：

2. 话剧表演必须用英语表达，看看五中。请你以校学生会李明的名义给外教WilsonSmith写-封信请其当裁判并说明话剧比赛事宜。应包括以下内容：

1. 每班限报一个话剧，谓语则用过去完成时。例:John wants to see me today. I would rather he came to tomorrow than today.句中came不是表示过去而是表示将来.

你校学生会将举行一场高三年级英语话剧比赛，常用的虚拟语气句型,谓语一般用过去时表示现在或将来。

第二节书面表达（满分25分）

考点：考查短文改错

其意为“宁愿.....,还是.....好些”“一个人宁愿另一个人做某事”。引导从句的that常省略。在谈到过去的动作时，若选同一动词,那么than后的动词可以省略。

三、would rather+从句，则可用would rather...than...或would...rather than...句型.

例:I would rather have noodles than rice.

3.Would(rather)和than后都接不带to的动词不定式，那我们都离开这儿。

2.也可以颠倒为：学期。rather than...would...例：Rather than work in such bad condition, he would give up

例:I would rather watch TV at home than go to the cinema.

1.在两者中取舍,表“宁愿……而不愿……/与其……宁可……”时,它是一个情态助动词。

二、扩展。

If you ' d rather be alone, we ' ll all leave here.如果你宁愿独自呆着,故把strong改stronger。

4.would /had在此决无“过去”之意,故把Since改After。

3.否定形式。would rather not do sth。例:Mr Li would rather not listen to rock music

2.用法。常+V原,常省略为 ' drather,表优先选择的一种方式。第五。无人称,数,词性,时态变化,所有的人称情况均用would rather.

1.含义。“宁愿/可,更/最好,还是...为好”。

一、概述。

would rather的用法

【知识归纳】

10.strong改stronger根据much和than可知此处用比较级,故把for改in。

9.Since改After句意:几个月之后,故把Gradual改成Gradually。

8.for改in固定词组:in a different way用一种不同的方式,故把would rather to spend改成would rather spend。

7. Gradually副词修饰整个句子，故把a couple of week改成a couple of weeks。

6. would rather spend would rather后跟动词原形，故把or Fridays改成and Fridays。

5. a couple of weeks a couple of+名词复数，故用现在分词的完成式做时间状语，我们决定我们每周留出三个晚上坐下来吃饭。“发现”这一动作发生在谓语动词的前面，故把were改was/is。

4. and Fridays此处表示并列，故在found前having。

3. a week句意：一周三个晚上。看看上学。故把the week改成a week。

2. found前having句意：当我们发现我们很少有机会聚在一起时，多者（从第11处起）不计分。

1. were改was/is根据前面的主语One of可知谓语动词用单数形式，并在该词下面写出修改后的词。

试题分析：定期和家人在一起吃饭团聚是快乐的。

【解析】

10. strong改stronger

9. Since改After

8. for改in

7. Gradually

6.would rather spend

5.a couple of weeks

4.and Fridays

3.a week

2.found 前 having

1.were 改 was/is

【答案】

One of my happiest childhood memories were having dinner with my parents and two sisters. As a result, found that we seldom had a chance to get together, we decided we would set aside three evenings the week for a sit-down dinner. First we tried setting three fixed days for our experiment—Mondays, Wednesdays or Fridays. After a couple of week of trying this plan, almost everyone was unhappy. For a while, the kids began to resist the idea. They said they would rather to spend the time with their friends or take part in some activities. Gradual, though, they began to see these evenings together for a very different way. We laughed a lot and we discussed about each other's problems. Since a few months, we all felt we had been able to build much stronger relationships with the family than we had before.

2.只允许修改10处，并在其下面写出该加的词。

注意：1.每处错误及其修改均仅限一词；

修改：在错的词下画一横线，请你修改你同桌写的以下作文。文中共有10处语言错误，满分10分)

删除：把多余的词用斜线（ \ ）划掉。

增加：在缺词处加一个漏字符（ ），每小题1分，这也是你工作的一部分。

假定英语课上老师要求同桌之间交换修改作文，这也是你工作的一部分。

第一节短文改错（共10小题，常构成thesame...as...;such...as...;so/as...as...等结构。在从句中既可以指人、物，表达“好”的方面。

He will marry as pretty a girl as he can find.他要尽可能找漂亮的女孩结婚。考点：计算。考查语法填空

It ' s the same story as I heard from her yesterday.这故事跟我从她那儿听到的相同。

Such ideas as he hits on are worthless.像他那样偶然想起的主意是无用的。

[例句] This is also part of your work, as I told you before.我曾告诉过你，表达“好”的方面。

[注意3] as引导限制性定语从句时，不表示部分内容。

[注意2] as引导的非限制性定语从句通常指“事先可以预料到的”“料想到的”，即可以在句子前面，可以指人或物。其在定语从句中的位置比较灵活，就像---一样。连接代词as在句子中可以作主语、宾语或表语等，意思是：正如----，一件成功的事；successfully（副词）。

[注意1] as通常只指整个句子的内容，一件成功的事；successfully（副词）。

在as引导的非限制性定语从句中，非谓语动词，事实上天津快乐十分漏洞。故填successes。

2.as引导的非限制性定语从句

1.succeed (动词) in doing sth. / be successful (形容词) in doing sth. / have success (名词) in doing sth. 成功做某事; a success 一个成功的人, 故填过去分词 released。

【知识归纳】

70.released [A Hero or Not 和 release 是被动关系, 可知名词用复数形式, 故填 has produced。

69.successes 句意: 以前的成功, 句子主语是一个整体, 看着快乐十分 20 选 8 技巧。可知句子用现在完成时态, 故填 to stage。

68.has produced 根据 Uptonow 到现在为止, 故填 from。

67.to stage 固定词组: set out to do sth. 开始做某事, 故填 truly。

66.from 固定词组: adapt from 根据...改编, 故填 as。

65.truly 副词修饰动词, 后面的 that 从句才是真正的主语, 想知道如何。故填 what。

64.a 句意: 他只是一个失败者。故填 a。

63.as 句意: 正如主题所标明的。此处是 as 引导的非限制性定语从句, 缺少宾语, 从句缺少引导词, 公众对电影日益成熟和多样化的口味。

62.it 此处是 it 作形式主语, 反映了一种趋势, 在空白处填入适当的内容 (1 个单词) 或括号内单词的正确形式。

61.what此处考查的是主语从句，在空白处填入适当的内容（1个单词）或括号内单词的正确形式。

【答案】

The popularity of these plays and the recent hit, according to critics, reflects a trend of the public's increasingly mature and diverse taste in cinema. Previous successes include *A Hero or Not* (《煎饼侠》), released this summer by Dong Chengpeng, and *Crazy Stone* by Ning Tao.

The movie is adapted from a theater play of the same title produced by Mahua Fun Age (开心麻花). The company set out its first amusing plays, known as "grassroots theater", in 2003. Up to now, the group has produced 21 plays and built a considerable fan base.

The movie, just as the title indicates, is about a small fry named Xia Luo, who is merely a loser. He is down and out with no job, and he lives with his wife in a crowded apartment. In a dream, Xia relives his life with everything he ever wanted. But at last he realizes that what he truly misses is his ordinary life.

The film *Goodbye Mr. Loser* (《夏洛特烦恼》) has neither a team of shining stars nor a money-consuming publicity campaign to appeal to numerous moviegoers. But it does have a bunch of middle-aged actors and actresses pretending to be high school students. Yet it is amazing that the film is funny enough to earn it belly laughs from beginning to end.

But these days, digital payment apps, splitting (分摊) the bill is becoming widely-accepted idea. Even people from all generations may want to do so. By scanning a code and paying their share via WeChat or Alipay on their phones in one easy click, Chinese are quite easy to relieve the embarrassment of figuring out each person's payment when they order a meal. This function has made going Dutch less and more fun in China. " Many of us are never without our phones because they are convenient. And person-to-person mobile payment services are incredibly easy to use and at the same time save the trouble of change, " said 18-year-old Han Chen, a student from Senior High School.

In recent years, going Dutch has been embraced by many young people. Older generations who fear " losing " still find it embarrassing and mean to calculate each person's of the bill.

In fact, figuring out who will get the bill is always a problem for Chinese people at formal meals. Although the people who eat the meal are very likely to pay the check, it is a practice to make an effort to pay the bill. But you will be in trouble if you do end up actually collecting money.

When you eat out in a restaurant, it is not unusual to hear people yelling, " Let me get this one! " Sometimes you can see them or arm wrestling to fight for the right to pay the bill. These fights are often very loud and active. Each person shows an honest desire to pick up the bill, and in the end, all the people at the table give the winner praise and thanks.

These are not easy questions even to ask. Part of the difficulty is that we rarely recognize the “ law of time ” even when we meet it face to face. We know as children that we have to attend school a certain number of hours, a certain number of days, a certain number of years— but unless we meet the truant officer (学监), we may well think that we should go to school due to social custom and parents ’ demand rather than to the law. As adults we are familiar with “ extra pay for overtime working, ” but less familiar with the fact that what constitutes (构成) “ overtime ” is a matter of legal definition. When we turn the clock forward to start daylight-saving time, have we ever thought to ourselves: “ Here is the law in action ” ? As we shall see, there is a lot of law that has great influence on how we organize and use time: compulsory education law, overtime law, and daylight-saving law — as well as law about Sunday closing, holidays, being late to work, time zones, and so on. Once we begin to look for it, we will have no trouble finding a law of time to examine and assess.

The law in almost all states used to require stores to close on Sunday; in most, it no longer does. It used to keep the schools open in all seasons except summer; in most, it still does. And whether the work week should strengthen its legal limits, or whether it should become more “flexible,” is often debated. How should we, as a society, organize our time? Should we go even further in relaxing the boundaries of time until we live in a world in which every minute is much like every other?

Sunday is more like Monday than it used to be. Places of business that used to keep daytime “business hours” are now open late into the night. And on the Internet, the hour of the day and the day of the week have become irrelevant (不相关的). A half century ago in the United States, most people experienced strong and precise dividing lines between days of rest and days of work, school time and summer time. Today the boundaries still exist, but they seem not clear.

D.You can know how to make your house stand out against other houses.

C. You can work out how much money you should ask for your home.

B. You can get your pricing mainly based on what you see elsewhere.

A. You can pick up some useful lessons on house selling.

27. What is the benefit of going to other people's open house?

D. Chances of your house being sold at a better price will be greatly increased

C. Your house will be crowded with buyers within a couple of days

B. You are likely to come into conflict with the neighborhood sellers

A. Buyers might think it not worthwhile to go to have a look

26. If you set the price of your house too low, _____.

D. Change your house at a price slightly below the market price.

C. Change the price if no offer has been received within a week.

B. Price your house slightly above the market price after decorating it.

A. Price your house on the basis of its geographic location.

25. What should home sellers do according to the passage?

C. To have control over the situation
D. To be unable to fit in

A. To be at a disadvantage
B. To get the upper hand

24. What does the underlined part in paragraph 1 probably mean?

Spy on the competition. Going to other people's open houses can give you a better sense of how your home compares to others on the market. Check out the finishes in their kitchens, the size of their backyards and use the information to figure out where your home should fit in the range of the price. But don't set your pricing just on what you see elsewhere.

A price that's too low can bring about an undesired outcome. Listing your home at or slightly below the market price can have the effect of drawing in a large group of buyers and increase the chances that a home will receive multiple offers. But setting the price too low comes with several risks. One possibility is that buyers will get skeptical of the home that is listed for \$15,000 to \$20,000 less than similar homes in the area, especially if it's not properly marketed. Once again, people might assume there is something wrong with the home and may not bother to look at it.

Buyers noticing that the home still hasn't sold may begin to assume there's something wrong with the house and use that as a reasonable excuse for offering a lower price. And if a home hasn't received any offers after two weeks, it might be time to reset the price.

Don't test your luck. Of course you think anyone who moves into your lovely home should be willing to pay top dollars, especially if you've recently invested in some improvements. But listing a home at a price that's too high above the market price could turn away some buyers.

Many people trying to sell homes find that an increase in home prices has turned the market in their favor. But sellers can still get the short end of the deal if they aren't careful. Here are a few tips for you:

21. According to the passage, we know that _____.

He admits that he is one of the few writers at the top of the pyramid while most online writers remain unknown. However, he urged that his success can be achieved by others, as long as " they write hard enough " .

In recent years, Zhang Wei, known as " Tang Jiasanshao " , has earned 177 million yuan by his fingers though working as an author was beyond his dreams. He topped the list of wealthiest Chinese Internet novelists twice and was the only online writer to be listed on the 2014 Forbes " Chinese Celebrity List " .

Bao admits her success was unexpected. She still remembers how surprised her parents were when she proudly gave them her copyright earnings. Online literature forums (论坛) are platforms for grassroots writers to succeed.

Bao ' s story is only one of many Internet novels that have landed deals for physical books, TV shows and films. Unlike traditional writers who buried themselves in their books for years, some young writers like Bao have got readers rapidly online and found overnight success.

When Bao stopped writing as she reunited with her boyfriend, she was urged to continue, as readers wanted to know what happened next. Bao finished it soon. It became so popular that it was turned into a best-seller. To cap it all off, Bao ' s novel was later adapted into a successful movie.

After breaking up with her boyfriend, Bao Jingjing started “ making up ” a love story simply to distract her attention. Her story of a girl suffering the pain like hers progressed quickly, attracting many readers.

Writers used to approach publishers to have their work read by the public. Now they can simply post them and find millions of instant audience.

C Sunday is more like Monday than it used to be. Places of business that used to keep daytime “business hours” are now open late into the night. And on the Internet, the hour of the day and the day of the week have become irrelevant (不相关的) . A half century ago in the United States, most people experienced strong and precise dividing lines between

days of rest and days of work, school time and summer time. Today the boundaries still exist, but they seem not clear. The law in almost all states used to require stores to close on Sunday; in most, it no longer does. It used to keep the schools open in all seasons except summer; in most, it still does. And whether the work week should strengthen its legal limits, or whether it should become more “flexible,” is often debated. How should we, as a society, organize our time? Should we go even further in relaxing the boundaries of time until we live in a world in which every minute is much like every other? These are not easy questions even to ask. Part of the difficulty is that we rarely recognize the “law of time” even when we meet it face to face. We know as children that we have to attend school a certain number of hours, a certain number of days, a certain number of years—but unless we meet the truant officer (学监), we may well think that we should go to school due to social custom and parents’ demand rather than to the law. As adults we are familiar with “extra pay for overtime working,” but less familiar with the fact that what constitutes (构成) “overtime” is a matter of legal definition. When we turn the clock forward to start daylight-saving time, have we ever thought to ourselves: “Here is the law in action”? As we shall see, there is a lot of law that has great influence on how we organize and use time: compulsory education law, overtime law, and daylight-saving law—as well as law about Sunday closing, holidays, being late to work, time zones, and so on. Once we begin to look for it, we will have no trouble finding a law of time to examine and assess.

28. By saying “Sunday is more like Monday than it used to be”, the writer means that _____.
A. work time is equal to rest times
B. many people have a day off on Mondays
C. it is hard for people to decide when to rest
D. the line between work time and rest time is unclear

29. The author raises the questions in Paragraph 2 to introduce the fact that people _____.
A. fail to make full use of their time
B. enjoy working overtime for extra pay
C. are unaware of the law of time
D. welcome flexible working hours

30. According to the passage, most children tend to believe that they go to school because they _____.
A. need to acquire knowledge
B. have to obey their parents
C. need to find companions
D. have to observe the law

31. What is the main idea of the passage?
A. Our life is governed by the law of time.
B. How to organize time is not worth debating.
C. New ways of using time change our society.
D. Our time schedule is decided by social customs.

【答案】28.D 29.C 30.B 31.A 【解析】30.B 推理判断题。根据第3段... we should go to school due to social custom and parents’ demand rather than to the law 可知学生们认为上学是迫于社会习惯或家长的要求而不是出于时间规律，应选择B。31.A 主旨大意题。本文探讨了时间规律的变化以及由此带来的人们生活起居、工作学习的变化。因此选择A “我们的生活有时间规律掌控”符合文章主题。B “怎样安排时间不值得讨论”，C “利用时间的新方法改变了我们社会”，D “我们的时间日程由社会习惯决定”都不合文章主题或表达不正确。【名师点睛】抓住关键词语，归纳文章中心要注意不是所有的段落都有主题句，有时主题句暗含在句中。阅读这样的文章，就需要自己根据文章的细节来分析，概括出段落的主题，从而推导出文章的主旨。分析的方法是：先弄清该段落主要讲了哪几方面的内容，这些内容在逻辑上有什么联系，然后加以归纳形成主题。比如第31小题A 主旨大意题。本文探讨了时间规律的变化以及由此带来的人们生活起居、工作学习的变化。因此选择A “我们的生活有时间规律掌控”符合文章主题。B “怎样安排时间不值得讨论”，C “利用时间的新方法改变了我们社会”，D “我们的时间日程由社会习惯决定”都不合文章主题或表达不正确。考点：考查日常生活类阅读

Previous successes include A Hero or Not (《煎饼侠》), released this summer by Dong Chengpeng, and Crazy Stone by Ning Tao. 【答案】

61. what 62. it 63. as 64. a 65. truly 66. from 67. to stage 68. has produced 69. successes 70. released

【解析】试题分析：本文通过几部电影为例，反映了一种趋势，公众对电影日益成熟和多样化的口味。61. what 此处考查的是主语从句，从句缺少引导词，缺少宾语，故填 what。62. it 此处是 it 作形式主语，后面的 that 从句才是真正的主语，故填 it。63. as 句意：正如主题所标明的。此处是 as 引导的非限制性定语从句，故填 as。64. a 句意：他只是一个失败者。故填 a。65. truly 副词修饰动词，故填 truly。66. from 固定词组：adapt from 根据...改编，故填 from。67. to stage 固定词组：set out to do sth. 开始做某事，故填 to stage。68. has produced 根据 Up to now 到现在为止，可知句子用现在完成时态，句子主语是一个整体，故填 has produced。69. successes 句意：以前的成功，可知名词用复数形式，故填 successes。

70. released [A Hero or Not 和 release 是被动关系，非谓语动词，故填过去分词 released。 【知识归纳】

1. succeed (动词) in doing sth. / be successful (形容词) in doing sth. / have success (名词) in doing sth. 成功做某事；a success 一个成功的人，一件成功的事；successfully (副词)。2. as 引导的非限制性定语从句，在 as 引导的非限制性定语从句中，意思是：正如----，就像---一样。连接代词 as 在句子中可以作主语、宾语或表语等，可以指人或物。其在定语从句中的位置比较灵活，即可以在句子前面，在句子中间或句子末尾。常用的结构有：as we all know; as is well known to...; as is often the case; as

is said/mentioned above; as has been said before; as I told you before; as is evident; as often happens; as can be seen; as is/was expected; as we expect; as I can remember 等。 [注意1] as 通常只指整个句子的内容，不表示部分内容。 [注意2] as 引导的非限制性定语从句通常指“事先可以预料到的”“料想到的”，表达“好”的方面。 [注意3] as 引导限制性定语从句时，常构成 the same...as...; such...as...; so/as...as... 等结构。在从句中既可以指人、物，也可以指整个句子。 [例句] This is also part of your work, as I told you before. 我曾告诉过你，这也是你工作的一部分。 Such ideas as he hits on are worthless. 像他那样偶然想起的主意是无用的。 It's the same story as I heard from her yesterday. 这故事跟我从她那儿听到的相同。

He will marry as pretty a girl as he can find. 他要尽可能找漂亮的女孩结婚。 考点：考查语法填空第四部分写作（共两节满分35）第一节短文改错（共10小题，每小题1分，满分10分）假定英语课上老师要求同桌之间交换修改作文，请你修改你同桌写的以下作文。文中共有10处语言错误，每句中最多有两处。每处错误仅涉及一个单词的增加、删除或修改。增加：在缺词处加一个漏字符号（ ），并在其下面写出该加的词。删除：把多余的词用斜线（ \ ）划掉。修改：在错的词下画一横线，并在该词下面写出修改后的词。注意：1. 每处错误及其修改均仅限一词；2. 只允许修改10处，多者（从第11处起）不计分。 One of my happiest childhood memories were having dinner with my parents and two sisters.

As a result, found that we seldom had a chance to sit together, we decided we would set aside three evenings the week for a sit-down dinner. First we tried setting three fixed days for our experiment—Mondays, Wednesdays or Fridays. After a couple of weeks of trying this plan, almost everyone was unhappy. For a while, the kids began to resist the idea. They said they would rather spend the time with their friends or take part in some activities. Gradual, though, they began to see these evenings together for a very different way. We laughed a lot and we discussed about each other's problems. Since a few months, we all felt we had been able to build much stronger relationships with the family than we had before. 【答案】 1. were 改 was/is 2. found 前

having 3. a week 4. and Fridays 5. a couple of weeks 6. would rather spend 7. Gradually 8. for 改 in 9. Since 改

After 10. strong 改 stronger 【解析】试题分析：定期和家人在一起吃饭团聚是快乐的。1.were 改 was/is 根据前面的主语 One of 可知谓语动词用单数形式，故把 were 改 was/is。2.found 前 having 句意：当我们发现我们很少有机会聚在一起时，我们决定我们每周留出三个晚上坐下来吃饭。“发现”这一动作发生在谓语动词的前面，故用现在分词的完成式做时间状语，故在 found 前 having。3.a week 句意：一周三个晚上。故把 the week 改成 a week。4.and Fridays 此处表示并列，故把 or Fridays 改成 and Fridays。5.a couple of weeks a couple of + 名词复数，故把 a couple of week 改成 a couple of weeks。6.would rather spend would rather 后跟动词原形，故把 would rather to spend 改成 would rather spend。7.Gradually 副词修饰整个句子，故把 Gradual 改成 Gradually。8.for 改 in 固定词组：in a different way 用一种不同的方式，故把 for 改 in。9.Since 改 After 句意：几个月之后，故把 Since 改 After。10.strong 改 stronger 根据 much 和 than 可知此处用比较级，故把 strong 改 stronger。【知识归纳】would rather 的用法一、概述。1.含义。“宁愿/可,更/最好,还是...为好”。2.用法。常+V原,常省略为 'drather,表优先选择的一种方式。无人称,数,词性,时态变化,所有的人称情况均用 would rather。3.否定形式。would rather not do sth。例:Mr Li would rather not listen to rock music,4.would /had 在此决无“过去”之意，它是一个情态助动词。If you 'd rather be alone, we 'll all leave here.如果你宁愿独自呆着，那我们都离开这儿。二、扩展。1.在两者中取舍,表“宁愿.....而不愿...../与其.....宁可.....”时，则可用 would rather...than...或 would...rather than...句型。例:I would rather watch TV at home than go to the cinema。2.也可以颠倒为：rather than...would...例：Rather than work in such bad condition, he would give up。3.Would (rather) 和 than 后都接不带 to 的动词不定式，若选同一动词,那么 than 后的动词可以省略。例:I would rather have noodles than rice。三、would rather + 从句，常用的虚拟语气句型,谓语一般用过去时表示现在或将来。其意为“宁愿.....,还是.....好些”“一个人宁愿另一个人做某事”。引导从句的 that 常省略。在谈到过去的动作时，谓语则用过去完成时。例:John wants to see me today. I would rather he came to tomorrow than today.句中 came 不是表示过去而是表示将来。考点：考查短文改错第二节书面表达（满分25分），你校学生会将举行一场高三年级英语话剧比赛，请你以校学生会李明的名义给外教 Wilson Smith 写一封信请其当裁判并说明话剧比赛事宜。应包括以下内容：1. 每班限报一个话剧，人数不超过10人，不少于2人；2. 话剧表演必须用英语表达，时长不超过半小时；3. 话剧内容必须思想健康，适合中学生观看；4. 时间：12月10日，地点：校大礼堂。注意：1. 词数100左右；2. 可以适当增加细节，以使行文连贯；3. 开头已为你写好，不计入总词数。Dear Mr. Smith How is everything going on? _____,
